

Estate planning made simple.

Your Property Your Family Your Way

*It's your legacy. At the Maloof Law Group,
we understand that family comes first.*

Why should you create an estate plan now? That's the easy question – it's the same reason we buy life insurance. We make the "how" and "where" to get an estate plan easy too. Our attorneys are focused on you and what you care about, so you can focus on more important things, like when your child's soccer game is.

Will your family be able to manage its finances if you're incapacitated? Will they have to pay unnecessary taxes? These are just a couple of the questions that the attorneys of the Maloof Law Group, APC can answer.

*Wills. Trusts. Pour-over wills. Living Trusts.
Advance Health Care Directives. Powers of Attorney.*

We walk you through what you do need and what you don't, so you can be confident about the future.

What will you leave behind?

"Professional Legal Services, Personally Delivered."

*Who should
decide where
your property
goes?*

- The Government
- A Judge
- You

Allow us to help you ensure that your property goes to the people you care about.

It's your family and your property. Take control of the future.

Estate planning made simple.

Death is a very dull, dreary affair, and my advice to you is to have nothing whatsoever to do with it.
~ *W. Somerset Maugham* ~

No one can confidently say that he will still be living tomorrow.
~ *Euripides* ~

Let him who would enjoy a good future waste none of his present.
~ *Roger Babson* ~

Time goes, you say? Ah, no! alas, time stays, we go.

Durable Power of Attorney

Avoid costly conservatorships and needless delays establishing who can act with this incredibly useful and powerful document.

Will your family be able to pay the bills when you cannot?

Does your family know the kind of care you want to receive?

Advance Health Care Directive

When Doctors can't talk to you, who are they going to talk to? Current Federal laws prevent doctors from discussing your medical condition with anyone – including your spouse!

A Well-Protected Family

At a minimum, your family should have the following documents:

- Revocable Trust
- Pour-Over Wills for each spouse
- Durable Powers of Attorney for each spouse
- Advance Health Care Directives for each spouse

Our Trust Package includes all of the above, and more.

Your family may also be able to take advantage of additional tax savings through other types of trusts. A free consultation with one of our attorneys can help you determine affordable options for your property.
